

**Contract Agreement between**

**Dilashaini Rural Municipality (local government)  
&  
Green Center (non-governmental, non-profit organization)  
for**

**Launching & jointly implementing**

**Sustainable Village Initiative  
(Digo Gaau Abhiyaan)**

- 
1. Dilashaini Rural Municipality (local government), and Green Center (non-governmental, non-profit organization) signed a Memorandum of Understanding (MoU), on 25<sup>th</sup> August 2025 to launch and jointly implement the initiative, and with the purpose of addressing socio-economic problems by working together, in the following areas:
    - I. Poverty (SDG1);
    - II. Decent employment (SDG8);
    - III. Sustainable agriculture, food systems transformation & food/nutritional security (SDG2);
    - IV. Environmental sustainability; and
    - V. Sustainable Development Goals (SDGs)
  2. Green Center, trading as the Green Center for societal transformation, is a local-community based, grass-roots, and non-governmental organization founded for transforming societies into sustainable societies. To promote sustainability at local level, it has come up with and proposed "Sustainable Village Initiative (SuVi) or Digo Gaau Abhiyaan (in Nepali).
  3. Dilashaini Rural Municipality is a local government, located in Baitadi district and Sudur-Paschim province, Nepal.
  4. The main goal of the Sustainable Village Initiative is to make an environment-friendly, low-carbon, resilient, liveable & sustainable rural municipality, that will have no poverty, ensure decent employment, and food & nutritional security for all.
